CCMEC 2023

November 6th-7th, 2023

CCMEC is very pleased to be hosting our fourth annual convention after a successful event in 2022. These successes would not have been possible without the support and participation of our sponsors, exhibitors, speakers, and delegates investing their time and effort to the initiative.

As an industry-driven conference, our vision is to be one of the international conventions of choice, which will establish central Canada as a global centre for exploration and mining.

Our focus is on attracting investment to central Canada by facilitating direct links between prospectors, companies, government, academia, Indigenous communities, and investors. The convention will showcase our region's rich mineral endowment from critical minerals to precious metals and everything in between, while highlighting innovation and advancements in the sector.

Sponsorship support is key to hosting a great convention, and we are pleased to invite you to participate in CCMEC 2023. The provided guide details a variety of sponsorship levels to enhance your company's profile and acknowledge your generous contributions.

We look forward to seeing you in November!

- CCMEC Committee

**2-DAY CONVENTION -- TRADESHOW & POSTER DISPLAYS -- TECHNICAL SESSIONS
-- NETWORKING OPPORTUNITIES -- BUSINESS DEVELOPMENT CONNECTIONS --**
