## Bigger Conversations. Bigger Ideas. Bigger Impact!

Join us for CCMEC 2026 and help shape the future of mining while delivering meaningful industry impact. Last year, CCMEC reached unprecedented heights – welcoming more than 1,000 participants, hosting our largest trade show to date, and securing a record number of sponsors. In 2026, we're building on that momentum to deliver an even more dynamic, influential and results-driven event.

Guided by our theme **Shaping the Future. Delivering Impact**, CCMEC 2026 will spotlight ideas, partnerships and innovations that are transforming the mining and exploration sector.

This is more than a conference; it's a strategic opportunity.

CCMEC brings together mining and exploration companies, suppliers, government leaders, academia, Indigenous communities, industry innovators and prospectors in one powerful forum. As a sponsor or exhibitor, you gain direct access to decision makers, elevate your brand visibility and position your organization at the centre of industry-shaping conversation.

Whether your goal is to generate leads, strengthen partnerships, showcase innovation, attract investment or demonstrate leadership, CCMEC provides access to the people and conversations that matter most, creating opportunities to shape the future of the industry while delivering real impact for your organization.

Managed by MAMI for the third consecutive year, CCMEC continues to grow as the largest event of its kind in central Canada, with a bold vision to become an international convention of choice and to establish our region as a global centre of excellence in exploration and mining,

The 2026 Opportunities Guide outlines a wide range of partnership opportunities designed to accommodate diverse strategic objectives and investment levels. **We're pleased to announce that pricing remains at 2025 levels, offering exceptional value as you plan for your 2026 engagement.** We invite you to review the options and connect with us to confirm a package that aligns with your goals.

From ground-breaking ideas to meaningful connections, everything you need to elevate your organization's impact is waiting at CCMEC 2026.

Secure your place. **Shape the Future. Deliver Impact!**
